	Info-Slide	Motion
R1		THW ban police unions.
R2		THBT Pharmaceutical companies should be held civilly liable for the opiate crisis
R3		THB the Democratic Party should prioritize/welcome the nomination of candidates at all levels of government who favor more radical changes to existing policies and structures over those who are seen as more "electable"
R4		This house regrets the development of mass tourism at world heritage sites
R5		TH, as a prominent African-American group, would seek to create autonomous spaces of politics, economics etc. rather than integrating with American society
QF		THW, as the US government, recognize the DPRK as a nuclear state and no longer oppose their nuclear program on the condition they discontinue long-range missile development.
SF	The United States of Africa is a proposed concept for a federation of some or all of the 55 sovereign states on the African continent. The concept takes its origin from the writing of Marcus Garvey, an influential pan-Africanist leader in the early 20th century.	THS the political unification of Africa
NF		THW, as President Trump, fire Robert Mueller
F		THBT Truth and Reconciliation Commissions should destroy all collected testimony upon publication of the commissions' reports.
